CAREER OBJECTIVE

To grow as a front-end / creative developer who designs distinctive, usable interfaces while using full-stack experience to ship complete, reliable products. I am especially interested in responsive web interfaces, interaction design, practical system workflows, and products that solve real user and organizational needs.

DEVELOPER SKILLS

Front-End Development HTML, CSS, JavaScript, React + Vite, responsive UI, Flutter / Dart	Back-End Development Laravel 12, PHP, Blade, REST APIs, authentication, validation
Database & Systems PostgreSQL, relational data, workflow design, reporting, auditability	Tools & Workflow Git / GitHub, VS Code, deployment, debugging, problem solving, teamwork

SELECTED PROJECTS

DAR-LTCMS - Land Transfer Clearance & Monitoring System

2026 | Lead / Integrator | Laravel 12, PHP, PostgreSQL, Blade, JavaScript

Web system for DAR Negros Oriental covering land transfer clearance processing, parcel and landholding records, mapping, monitoring, reports, role-based workflows, notifications, audit logging, and official clearance outputs.

PERIPHORA

2025 | Individual Front-End Project | Flutter, Dart

Mobile e-commerce interface for tech peripherals with product browsing, product details, cart, checkout, order confirmation, reusable widgets, and motion-focused interaction.

WORDSPACE

2026 | Individual Front-End Project | React 19, Vite 7, JavaScript, Responsive UI

Feature-rich typing website with configurable test modes, themes, behavior settings, live WPM and accuracy feedback, results tracking, and a distraction-light responsive interface.

TRAINING & CERTIFICATIONS

Front End Development Libraries V8

freeCodeCamp | Issued 18 May 2025

Legacy Responsive Web Design V8

freeCodeCamp | Issued 11 February 2025

Introduction to PHP

Simplilearn SkillUp | Issued 30 April 2024

Introduction to SQL

Simplilearn SkillUp | Issued 29 April 2024

SELECTED ACHIEVEMENTS

- Graduated Senior High School with High Honors.
- Graduated High School with Honors.
- Graduated Primary Education with High Honors.
- DAR-LTCMS capstone approved with revisions at colloquium (2026).

ADDITIONAL PROFILE

Interests include front-end design, interactive web experiences, full-stack systems, photography, filmmaking, visual storytelling, and teaching / knowledge sharing. Creative media experience supports my approach to framing, hierarchy, rhythm, and visual communication in interface work.
